

EDITING SERVICES

PRE-PUBLICATION EDITING

- **Language editing** for clarity, brevity, correct use of language, consistency, tone of voice, flow, or to standardise styles between multiple authors.
- **Copy and substantive editing** to double-check content accuracy and authoritativeness, evidential and referencing standards, or to strengthen argumentation or presentation.
- **Structural editing** to make sure your narrative or logic is optimally presented.

RESCUE EDITING

*Need a mothballed deliverable back on track?
Staring at a chaotic mess with a looming deadline?*

Don't worry. We excel at turning unfinished or stalled projects around. By completing or reworking early, partial or sub-standard drafts we can make sure you deliver not just on time but high quality.

We grasp concepts quickly, spot patterns and make sure whatever you're putting out there says what you want it to and makes an impression (...phew!).

EDITORIAL CONSULTANCY

*Want help keeping a project on target?
Coordinating multiple author inputs on a single deliverable?*

We're here for you. We support authors and teams to stay on target and coordinate as they flex their intellectual and creative prowess.

EDITORIAL REPACKAGING

Need a large or complex publication repackaging?

We can help you develop derivative products that optimise how you deliver your message in specific contexts and for specific audiences.
